Administration

INTRODUCTION

The purpose of the School Handbook is to outline the general policies and operating procedures of St. Stanislaus School. These policies are intended to enrich the environment of St. Stanislaus School by providing an atmosphere conducive to learning while ensuring the health and safety of all students.

Canon (church) Law governs Catholic schools. Therefore Catholic schools have a much wider latitude in the development of policies and rules than do their public counterparts.

National Catholic Education Association

In addition to the policies in the handbook, units and departments publish policies specific to individual grades and academic areas. Students and parents are responsible for reviewing and abiding by the policies set forth.

While it is recognized that no handbook can cover every eventuality, we have provided an overview of the policies of St. Stanislaus School. The administration is the final recourse and reserves the right to amend this handbook. Parents will be given prompt notice.

HISTORY

For over 120 years St. Stanislaus School has been providing quality education to students in PreK through eighth grade. Founded as a parish school for the children of Polish immigrants, St. Stanislaus now welcomes students from many area communities and faiths.

Since 1907, St. Stanislaus School has been under the administration of the Conventual Franciscans of St. Anthony of Padua Province and the Franciscan Sisters of St. Joseph, of Hamburg, New York.

Over the years the school has been housed in three different school buildings. A fire in 1973 destroyed the brick school built in 1925. The present school was built on the same site and includes a preschool, a chapel, a large library/computer center, art/music room, cafeteria and gym, science lab along with an outdoor playground.

PHILOSOPHY

St. Stanislaus School is an educational ministry of the Basilica of St. Stanislaus Bishop and Martyr Parish that exists to pass on the teachings of the Roman Catholic Church. The school serves students from this parish, as well as other parishes and faiths, who accept the philosophy and mission of our school.

We believe in teaching as Jesus did, through word and deed. A positive atmosphere, based on respect and caring for each member of our school family, encourages a climate of joyful service to one another and to our parish and

community. Students are assisted in growing into the fullness of all that God has designed.

Our goal is to provide our students with a firm moral and educational foundation that supports lifelong curiosity and the love of learning. Firmly rooted in the Christian faith, our students are encouraged to develop good moral consciences, which will guide them throughout their lives.

Students are challenged by a strong, basic curriculum within a safe, nurturing environment. The open classroom structure fosters a collaborative spirit, which enables the faculty to provide continuity throughout all grade levels. As a school community, we are continually exploring methods, resources, and opportunities that will enhance our educational program. We welcome others from our parish and local community to become involved in the life of our school.

MISSION STATEMENT

St. Stanislaus School is a Catholic, Franciscan, co-educational, Pre-K through Eighth grade school that exists to assist students in developing their potential spiritually, physically, and socially, while fostering academic excellence within a safe and nurturing environment.

Adopted October 2008

PARENT'S ROLE IN EDUCATION

We, at St. Stanislaus School, consider it a privilege to work with parents in the education of children because we believe parents are the primary educators of their children. Therefore, it is your right and your duty to become the primary role models for the development of your child's life---physically, mentally, spiritually, emotionally, and psychologically. Your choice of St. Stanislaus School involves a commitment and exhibits a concern for helping your child to recognize God as the greatest good in his/her life.

Good example is the strongest teacher. Your personal relationship with God, with each other, and with the Church community will affect the way your child relates to God and others. Ideals taught in school are not well rooted in the child unless these are nurtured by the example of good Catholic/Christian morality and by an honest personal relationship with God in your family life.

Once you have chosen to enter into a partnership with us at St. Stanislaus School, we trust you will be loyal to this commitment. During these formative years (Pre-

K to 8), your child needs constant support from both parents and faculty in order to develop his/her moral, intellectual, social, cultural, and physical endowment. Neither parents nor teachers can afford to doubt the sincerity of the efforts of their educational partner in the quest of challenging, yet nourishing, the student to reach his/her potential. It is vital that both parents and teachers remember that allowing oneself to be caught between the student and the other partner will never have positive results. To divide authority between school and home or within the home will only teach disrespect of all authority. If there is an incident at school, you as parents must make investigation of the complete story your first step. Evidence of mutual respect between parents and teachers will model good mature behavior and relationships.

Students are naturally eager to grow and learn. However, sometimes in the process of maturation new interests may cause them to lose focus. As this natural process occurs, the student needs both understanding and discipline. At times, your child may perceive discipline as restrictive. However, it is boundaries and limits which provide a young person with both guidance and security.

It is essential that a child take responsibility for grades he/she has earned and be accountable for homework, long-term assignments, major tests, service projects, and all other assignments. This responsibility also extends to times of absence.

Together, let us begin this year with a commitment to partnership as we support one another in helping your child to become the best person he/she is capable of becoming.

PARENTS AS PARTNERS

As partners in the educational process at St. Stanislaus School, **parents are expected to:**

To set rules, times, and limits so that your child:

- Gets to bed early on school nights;
- Arrives at school on time and is picked up on time at the end of the day;
- Is dressed according to the school dress code;
- Completes assignments on time; and
- Has lunch money or nutritional snack/ lunch every day.

To actively participate in school activities such as Parent-Teacher Conferences;
To see that the student pays for any damage to school books or property due to carelessness or neglect on the part of the student;
To notify the school with a written note when the student has been absent or tardy;
To notify the school office of any changes of address or important phone numbers;
To meet all financial obligations to the school;
To inform the school of any special situation regarding the student's well-being, safety, and health;
To complete and return to school any requested information promptly;
To read school notes and newsletters and to show interest in the student's total education;
To support the religious and educational goals of the school;
To support and cooperate with the discipline policy of the school;
To treat teachers with respect and courtesy in discussing student problems.

Parents who fail to support the mission, philosophy, and values of St. Stanislaus will be considered to have broken this contract which puts the child's continued enrollment in jeopardy.

GENERAL INFORMATION AND POLICIES

ABSENCE

When a student is absent from school, a parent should call the office by 10:00 AM each day of the absence. If the office does not receive a call, a parent will be contacted. This policy is for the protection of the St. Stanislaus students.

Students should be fever free for 24 hours before returning to school.

A written statement giving reasons for the absence or tardiness **must** be brought to the student's teacher upon the student's return. These notes/letters will be retained in the office for one year. Should absence for any reason other than illness seem imperative, parents are requested to consult with the Principal and present a written reason for the absence.

The school calendar provides for vacations and extended weekends throughout the school year. **Please schedule trips or family outings during these times so as to eliminate the need to interrupt a child's learning process.** **Missed assignments are the student's responsibility.**

Students who are absent due to illness have one day for each day of absence to make up the missed assignments, quizzes or tests. For example, a student who was absent three days would be given three school days to complete the missed work.

When a student is absent for **three or more days due to illness**, a parent may call the school office before 9:30 AM to arrange for homework assignments.

Homework assignments may be picked up at the school office between 3:00 PM – 3:30 PM.

For short absences, students should make arrangement with classmates regarding assignments. Students may also receive missed assignments from their teacher when they return to school.

Teachers are not required to give make-up tests or assignments for absences due to vacations. No assignment will be given in anticipation of the vacation.

Arrangements for regular classroom tests missed because of an absence are to be made with the individual teachers. These tests must be taken within one week of the original test date.

The following circumstances are the only justifiable excuses for school absence: 1) personal illness, 2) family illness, 3) death in the family.

Diocese of Springfield Attendance policy 5210.2 states *“Students absent from school for more than nine days a semester or eighteen days for the year risk promotion to the next grade level or loss of credit for course work.”*

In accordance with the Chicopee Public School Department Attendance and Truancy policy: *“Students in grades K-8 who exceed sixteen (16) absences in a school year may be considered for non-promotion.*

St. Stanislaus School is required to report any student who has been absent 16 days to the Supervisor of Attendance for the city of Chicopee.

Excessive absence (16 days) or the equivalent of 16 days including tardies, can be cause for a student to be retained in the current grade for another year.

Students in Kindergarten and grade eight would not participate in graduation exercises.

Participation in Commencement exercises is a privilege for eighth grade students who have met the academic, attendance, and disciplinary standards of the school.

ABSENCE DURING THE SCHOOL DAY

Students needing medical appointments during school hours require a written note by the parent. Parents are required to sign out their child. If the child returns to school during the same school day, he/she must be signed back into school in the office.

ATTENDANCE-Students are ONLY eligible for a Faithful Attendance Award if they have been absent, tardy, or dismissed early no more than one time during the school year. (maximum of one day).

ACCREDITATION

St. Stanislaus School is accredited through the New England Association of Schools and Colleges.

ALLERGY POLICY

Any allergy, health or medical concern should be reported to the school office.

St. Stanislaus School recognizes that asthma is an important condition affecting many school children and positively welcomes all pupils with asthma.

This school encourages children with asthma to achieve their potential in all aspects of school life by having a clear policy that is understood by school staff and pupils. Teachers and new staff are also made aware of the policy. All staff who come into contact with children with asthma are provided with training on asthma from the school nurse who has had asthma training. Training is updated once a year.

Asthma Medication

Immediate access to reliever inhalers is vital. Parents are asked to ensure that the school is provided with a labeled spare reliever inhaler. All inhalers must be labeled with the child's name by the parent.

Record Keeping

- **At the beginning of each school year, or when a child joins St. Stanislaus Catholic School, parents are asked to submit a child's medical record. All parents of children with asthma are given an Asthma action plan to give to their child's pediatrician to complete and return to the school. From this information the school keeps its asthma register which is available for all school staff. Action Plans are then sent to parents on an annual basis to update. If medication changes in between times, parents are asked to inform the school**

The School Environment

The school does all that it can to ensure the school environment is favorable to children with asthma. As far as possible the school does not use chemicals in science and art lessons that are potential triggers for children with asthma.

Food Allergy Policy

St. Stanislaus School recognizes that life threatening food allergies are an important condition affecting many school children and positively welcomes all pupils with food allergies. In order to minimize the incidence of life threatening allergic reactions, St. Stanislaus School will maintain a system-wide procedure for addressing life threatening allergic reactions and maintain an Emergency Action Plan for any student(s) whose parent/guardian, and physicians have informed the school in writing that the student(s) has a potentially life threatening allergy.

This notification will include an explanation of the severity of the health threat, a description of the signs and symptoms to be aware of, and what allergen (food, materials, etc.) to avoid.

Classrooms

Teachers must be familiar with the Emergency Action Plan of students in their classes and respond to emergencies as per the emergency protocol documented in the Emergency Action Plan.

In the event of a suspected allergic reaction (where there is no known allergic history), the school nurse will be called and the school’s Emergency Response Plan activated. The emergency medical services will be called immediately. The classroom will have easy communication with the school nurse.

Information will be kept about students’ food allergies in the classroom and in the substitute emergency folder, accessible by teachers, substitutes or other responsible adults.

BULLYING AND CYBER-BULLYING

Bullying means the repeated use by one or more students of a written, verbal, or electronic expression or a physical act or gesture, or any combination thereof, directed at a victim that: causes physical or emotional harm to the victim or damage to the victim's property; places the victim in reasonable fear of harm to himself or herself or damage to his or her property; creates a hostile environment at school for the victim; infringes on the rights of the victim at school; or materially and substantially disrupts the education process or the orderly operation of a school. Bullying shall include cyber-bullying.

Cyber-bullying means bullying through the use of technology or any electronic communication, which shall include, but not be limited to, any transfer of signs, signals, writing, images, sounds, data, or intelligence of any nature transmitted in whole or in part by a wire, radio, electromagnetic, photo electronic, or photo optical system, including, but not limited to, electronic mail, internet communications, instant messages, or facsimile communications. Cyber-bullying shall also include: creation of a web page or blog in which the creator assumes the identity of another person, or the knowing impersonation of another person as the author of posted content or messages creating any of the conditions enumerated in the definition of bullying. Cyber-bullying shall also include the distribution by electronic means of a communication to more than one person or the posting of material on an electronic medium that may be accessed by one or more persons, if the distribution of posting creates any of the conditions enumerated in the definition of bullying. (Mass Department of Elementary & Secondary Education)

St. Stanislaus School attempts to provide a safe environment for all individuals. Bullying shall be prohibited: on school grounds, property immediately adjacent to school grounds, at a school-sponsored or school-related activity, function or program whether on or off school grounds, at a school bus stop, on a school bus, or through the use of technology or an electronic device, if the bullying creates a hostile environment at school for the victim, infringes on the rights of the victim at school or materially and substantially disrupts the education process or the orderly operation of the school. Nothing contained herein shall require the school to staff any non-school related activities, functions, or programs.

Retaliation against a person who reports bullying, provides information during an investigation of bullying, or witnesses or has reliable information about bullying is prohibited.

Any reported incidents of bullying/cyber-bullying will be promptly investigated by the administration. Report forms are available in the school office or on the school website. These actions may include, but are not limited to: written disciplinary slip; verbal notification of parents; conference with parents, teachers and administration; detention; in-house detention; notification of legal authorities.

BUS ROUTE AND OPERATING POLICIES

Please have a plan in place for your child who may arrive home without a responsible party present.

Bus routes and stops are established by the Chicopee Public School Department and are published through the area newspapers at the beginning of the school year. Parents who wish to make requests for changes in routes or stops should contact the Director of Transportation of the Chicopee Public Schools. Students and parents are encouraged to notify the school immediately of any safety hazards that they have observed during bus operations. PLEASE NOTE: Bus students are not allowed to change buses for any reason throughout the school year. Out-of-town students are not allowed to ride the Chicopee School buses as well as those students that live less than the designated mileage. The school will not assume making any arrangements for students wishing to change buses or ride the bus home.

Any changes in bus stops must be done through the Chicopee Public School Transportation Department, not through the school. Bus evacuation drills are conducted by the bus company twice a year.

The following incidents can result in immediate loss of bus privileges:

- **Creating an unsafe situation**
- **Causing injury to others**

- **Possession of drugs, weapons, fireworks, etc.**
- **Tampering with emergency door or any door**
- **Abusive language and behavior**

- **Failure to follow instructions**

The Chicopee Public Schools will no longer tolerate unsafe bus behavior and has instituted a new procedure to deal with those students whose behavior places the welfare of others at risk.

No bus will transport students if unsafe conditions exist. The driver will stop the bus and call for a van to pick up any disruptive students who have refused to comply with the driver's instructions and who continue to endanger the safety of others. The van will transport these students to a holding place at Five Star Transportation 730 Fuller Road, Chicopee, MA 01013 (413-789-4789) and it will be the parent's responsibility to pick up his/her child from this location.

CAFETERIA

All food must be eaten in the cafeteria. Food is never to be thrown around, carried throughout the school or taken outdoors. Students must leave the table and floor clean and place chairs under the table. The parents' cooperation at home in teaching proper table manners helps in cultivating good habits in school. Students may not bring soda to school. Glass containers are not allowed. Food should never be wasted.

An allergy-friendly table is available for students with allergy concerns.

Students are not to bring textbooks or magazines into the cafeteria during lunch or recess time.

Administration/teachers will assign cafeteria seating in order to promote positive socialization and acceptance among the students.

CALENDAR

The current school year calendar indicating holidays, vacation weeks, and in-service days is sent to each family in August. Our school follows guidelines set forth by the Chicopee Public School System.

CANCELLATION/DELAY OF SCHOOL

In the event of inclement weather, equipment failure or an emergency situation, school may be canceled or scheduled for a delayed opening or an early dismissal.

Every practical means is used to notify parents of an impending delay or cancellation, including radio, TV and a Connect Ed phone message. If school is delayed or closed because of inclement weather conditions please listen to WHYN radio 560, Channel 22, 40, or 3, or reference the internet for information. Our policy regarding the closing of school is in accordance with the Chicopee Public School Department. If their Superintendent authorizes the closing of schools, St. Stanislaus School will also be closed.

In the unusual circumstances where school must be canceled during the school day, a Connect Ed phone message will be sent out and the administration and staff will be sure that all students have satisfactory transportation and supervision before releasing them from school.

In the case of a delay, the extended care before school program will also be delayed the same time period.

CATHOLIC FAITH FORMATION

As a Catholic school, the formation of our students in the tenets of our Catholic faith is the very reason for our existence. Faculty, staff and parents working together are responsible for taking an active part in the faith journey of the students.

Prayer is a regular part of the school day, both in the classroom and for the entire school. In addition to all- school and unit liturgies, students participate in the Stations of the Cross, the Rosary and Advent, Lent and other prayer services during the year.

CELL PHONES/ELECTRONICS

- Use of cell phones and other electronic devices is not allowed in school. All cell phones and electronic devices must be in the off position upon entering the building. If a student needs a cell phone/electronic communication device after school, due to walking home from school, entering a house where no one is home, or attending sport practices or games, he/she should bring the cell phone or other electronic device in the off position to the office upon arrival. The cell phone may be picked up by the student at dismissal or when after school activities are completed. Cell phones and other electronics may not be used in the before or after school programs. At no time during the day should a cell phone be in a student's locker or in his/her possession. **Items taken away from students will be returned to the parent(s)/guardian(s) on the last day of the school year.**

CHANGE OF ADDRESS

It is very important, for emergency and administrative reasons, that the office maintains an up-to-date address record for every student. Parents are asked to notify the school immediately if there is a change of address and/or telephone number during the school year.

CHANGES IN REGULAR MEANS OF TRANSPORTATION

In the event that a child is to return home from school by car instead of bus, or s/he is to be picked up by a friend or relative, a dated note must be submitted to the school the morning of the day on which this is to occur. Please notify the school of any change in transportation for that day by 1:30 p.m. by phone (not email).

CHAPEL

Our school chapel is open throughout the school day providing an opportunity for students and classes to spend time in prayer and reflection. Students are encouraged to make use of the chapel on a daily basis.

CHEATING/PLAGIARISM

Cheating/Plagiarism is a serious compromise of a student's integrity and will not be tolerated. If cheating/plagiarism is discovered, the student's work will be confiscated. Cheating of any type will not be tolerated. Students who choose to cheat face a failing grade and detention. A failing grade will automatically be recorded for the work and a discipline slip will be issued and parents will be

notified. A second offense will result in in-house suspension for one day. A pattern of cheating or plagiarism will result in a parent conference.

COMMUNICATIONS

A memo containing items of interest to students and parents is distributed weekly and included on the school website. It includes a lunch menu for the coming week and information on upcoming events. A monthly calendar of events is also sent home. It is important that students take these notices home and that parents take the time to read them and keep in touch with school events.

Individual student packets/progress reports are sent home periodically with the students. These packets/progress reports indicate the work a student has completed along with an evaluation of their progress. The packets/progress reports are to be signed by a parent and returned to the teacher on the next school day. If there are any concerns, parents are asked to contact the teacher.

Invitations to private parties (birthday, graduation, etc.) **will not** be distributed in school. This gesture only creates hurt feelings among students. Invitations to parties should be sent to the homes of students via US Mail or electronically. Due to confidentiality, addresses and phone numbers will not be given out. There are friendship lists that parents have made for each grade K-6 for those who would like to exchange addresses and phone numbers.

COMMUNITY OUTREACH

Our school is involved in a number of charitable activities throughout the year: coat/clothing drives, canned goods collection, Lenten Mission Appeal, and holiday gift gathering for nursing home patients, to name a few. While participation is optional, students are encouraged to become caring members of the community.

CONFERENCES

Required parent-teacher conferences are held at the end of the first quarter marking period. Parents are given specific appointments with the teachers of their children, regardless of their academic progress. Report cards are issued at this time.

Conferences, other than those set up for report cards, may be requested at any time during the school year by either parent or teacher. These will be scheduled at a time convenient for all concerned. (Teachers cannot meet with parents in the evening or during class time.)

CRISIS PLAN

St. Stanislaus School has implemented a “crisis plan” in case of an emergency situation. (Shelter in place/lockdown/evacuation) All teachers and staff are aware of the procedure to follow to keep your children safe. In the event of such an emergency, circumstances permitting, the building will be evacuated and students will be moved to one of two secure designated locations:

If a student fails to serve two or more scheduled detentions an in-house detention may be imposed. **Detention takes precedence over appointments, lessons, tutoring, ballgames, extra-curricular activities etc.**

An in-house detention may be imposed after six (6) detentions. This means complete separation from the classroom and/or school community for the duration of one or more days depending on the severity of the infractions. The administration will determine this. CULTURAL FAIR

Each year our students participate in the school Cultural Fair. This activity is one of the highlights of our academic year. Parents are encouraged to support this activity and to encourage their children in the selected projects. Families are asked to attend this special event.

EMERGENCY INFORMATION

In case of emergency, each student is required to have on file at the school office the following information:

- Parents' names, address, home and work phone numbers.
- Email address to communicate with a parent.
- Emergency phone number of a friend or relative.
- Physician's name, phone number and medical alert information.
- Completed ConnectEd Emergency notification form.

Changes in the above information should be reported to the office promptly.

EXTENDED CARE PROGRAM

Before and after school care is provided to our students on a daily basis. Provisions are also made to provide half-day care on teacher in-service days. There is an hourly fee for this service and parents are asked to **pay daily** or **weekly**. Families

with balances of over \$100 will not be able to use the program until the balance is paid. Students are given snacks, play games and receive assistance with homework. Any outstanding financial responsibility to the extended care program will result in withholding of the report card.

St. Stanislaus School is an authorized agent for United Farm Workers. Eligible families can request reimbursement funds for Extended Care.

FAMILY SERVICE COMMITMENT

Each family participates in Family Service. It is through this “total school effort” that we help to bridge the gap between student tuition and actual student cost. In addition, Family Service provides an opportunity for families to support various activities and events throughout the school year. Families have the option of serving the required 10 hours or contributing \$25.00 per hour in lieu of service.

FIELD TRIPS

Field trips within our city and to nearby points of interest are scheduled by classroom teachers during the school year. Students will be expected to pay for entrance fees and provide their own lunch. At this time, HASA provides the cost for transportation. Parents are encouraged to volunteer to chaperone trips. Chaperones are chosen by lottery. Parents of students with significant health concerns may be asked to accompany their child. Reasonable care will be taken by the supervisory personnel to see to the safety of the students. The school is not liable for injuries.

1. Field trips are designed to correlate with teaching units and to achieve curricular goals therefore; **student participation is a requirement, not an option. There will be graded follow-up assignments and activities to support curricular goals.**
2. Field trips are re-evaluated each year to determine the trips compatibility with curricular goals.
3. A field trip is a privilege and not a right.
4. There are no “traditional” field trips. Class participation in a particular field trip over consecutive years does not mean that this trip has become a school tradition.
5. All grades do not always have the same number of field trips.
6. Field trips are permissible for all grades when advanced planning, location, and the experience insure a successful learning opportunity.

7. Individual teachers, in consultation with the Administration, reserve the right to restrict or deny student participation on any field trip due to, but not limited to, poor academic performance and/or poor conduct.
8. A written **official authorization form**, signed by the parent, is required before a child will be permitted to attend a field trip activity. Verbal permission cannot be accepted. Medical information must be included on the form. Authorization forms are due in the office at least forty-eight hours before the field trip.
9. A **fax** does not take the place of an original signature.
10. A **telephone call** will **not** be accepted in lieu of the proper field trip authorization form.
11. Students who are participating in the field trip must ride the bus to and from the field trip with their class. Students not on the bus may not participate in the field trip and will be counted absent for the day.
12. All monies collected for the field trip are **non-refundable**.
13. **Cell phones** are **not allowed** on field trips unless otherwise directed by the teacher and/or administration.
14. Parents who are not “official” chaperones may not drive their car to a field trip destination with the plan of accompanying the class on the field trip. Our risk management insurance company insures the “official” chaperones and participation by unofficial chaperones jeopardizes the protection for our students and all other “official” adults on the trip. **Parents are not allowed to post photos on any social media sights.**

Photos or video of students, teachers, and/ or school events posted to You Tube® or other internet sites, will result in disciplinary action if the content is posted without the explicit permission of the administration and parents.

Parents involved in harassment or unacceptable postings on social media will risk their child/ren's enrollment at St. Stanislaus School.

HEALTH SERVICES/MEDICATIONS

Comprehensive physical examinations are required for children entering school, for children transferring into school without adequate medical transcripts, for children between the ages of 14 and 16 requesting work permits and where applicable, for children involved with a sports program. Subsequent evaluation is required for children entering grades four, seven and ten.

***Massachusetts General Laws

No child shall be admitted to school except upon presentation of a physician's certificate that the child has been successfully immunized against diphtheria, pertussis, tetanus, measles and poliomyelitis and such other communicable diseases as may be specified from time to time by the Department of Public Health. A child shall be admitted to school upon certification by a physician that in his/her opinion the physical condition of the child is such that his/her health would be endangered by such vaccination or by any of such immunizations. Such certifications shall be submitted at the beginning of each school year to the physician in charge of the school health program.

***General Laws of Massachusetts
Chapter 76, Section 15***

The City of Chicopee Health Department provides health services. Students are given dental, optical, speech, hearing and physical examinations at grade levels specified by the state. Parents have the option of having the physical examination done by their own physician.

The school nurse's office is located off the main office of the school. The nurse is responsible for the maintenance of health records, routine health checks, contacting parents concerning health problems and care of minor injuries. The Chicopee School Department provides a school nurse, as well as a dental hygienist and a vision and hearing technician. School Department health personnel are on call if an emergency should occur.

Medications

Medicine is treatment, and as such, is not part of the school health services. In most cases, pupils who are on prolonged medication can have the dosage adjusted so the time for taking their prescription will come while they are out of school. Students are never to have medication in their possession during school.

St. Stanislaus School follows the Chicopee Public School's policy regarding medication. The policies have been put in place to ensure the health and safety of children needing medicines during the school day.

If a child is to receive any medication during the school day the following procedure must be followed:

1. Signed consent by the parent or guardian to give the medicine. A parent consent form is available in the school office.
2. Signed medication order. The written medication order form is available in the school office. It should be taken to your child's licensed prescriber (your child's physician, nurse practitioner, etc.) for completion and returned to the school nurse. This order must be renewed as needed and at the beginning of each academic year.

Medication should be delivered to school by a parent or parent designee (an adult), in the original pharmacy labeled bottle accompanied by completed parental permission forms and the licensed prescriber's order, and given to school personnel.

The school nurse will be responsible for determining whether the medication to be dispensed falls within the parameters of this policy. Administration of medication shall be carried out by a registered nurse or designated team member.

Narcotics will not be kept in school. Any student requiring narcotics should remain at home.

Please contact the school nurse regarding questions related to medications. When your child needs medicine to be given during the school day, please act quickly to follow these policies so that we may begin to give the medicine as soon as possible.

In the event that a child needs to use cough drops, a dated, written note signed by the parent should be given to the teacher.

HOMEWORK

Homework is important because it is an extension of the learning that takes place in school. Parents can help their children by arranging a quiet, comfortable place to work and by seeing that assignments are completed as directed.

At the beginning of each school year, students receive information regarding the homework policies for individual classes. A general policy is as follows:

Primary

Students in grades K-3 may receive homework to provide practice and reinforcement of skills taught in class. All homework assignments are age and grade level appropriate.

Intermediate

Students are expected to complete homework assignments on the designated day. Missing, late or incomplete assignments will warrant a homework slip. These slips must be signed by a parent and returned the following day along with the completed homework. Failure to submit assignments on time will result in a drop in letter grade for each day they are late.

Packets of student work or individual tests and quizzes are sent home periodically to be reviewed and signed by a parent. If these are not returned signed, an unprepared slip will be issued. Unprepared slips are counted toward detention.

Three or more homework slips/unprepared slips will result in detention.

Junior High

Students are expected to complete homework assignments on the designated day. Missing, late, or incomplete assignments will warrant a homework slip. These slips must be signed by a parent and returned the following day along with the completed homework. Late assignments will also drop a letter grade for each day they are late. Any assignment more than a week late will not be accepted. Time will be allowed to make up assignments due to excused absence. Students who come to class without the appropriate materials will be given an unprepared slip.

Individual tests and quizzes are sent home periodically to be reviewed and signed by a parent. If these are not returned signed, an unprepared slip will be issued. Unprepared slips are counted toward detention.

NATIONAL JUNIOR HONOR SOCIETY

Membership into the National Junior Honor Society is based upon proven outstanding qualities of scholarship, service, leadership, character and citizenship. Membership is both an honor and an obligation. It is not an election and it is not based solely on an achieved specific level of academic performance. The other components are equally included in the selection process. All applications are subject to approval by the Faculty Council. Eligibility is open to all students in seventh and eighth grade.

NON-CATHOLIC STUDENTS

All children, regardless of their faith, are welcome as members of the St. Stanislaus School Family. Non-Catholic students, however, are required to take Religion classes. They are also expected to attend Liturgies and other para-liturgical prayer services.

Any Non-Catholic student who freely requests to become a Catholic (with parental consent) will begin preparation for Initiation into the Church. This normally takes two years to complete.

Non-Catholic students may not participate in the Sacraments of Reconciliation and Eucharist but are welcomed to receive a blessing at communion.

ORGANIZATIONS

HASA (Home and School Association)

The Home and School Association is committed by its mission to:

- Provide extracurricular social, educational, and recreational activities for the enrichment of the students.
- Strengthen the bond between parents, school, and church.
- Share a vision of hope and love for each other.

HASA has an executive committee.

ST. STANISLAUS SCHOOL BOARD

The School Board “has as its primary concern the ministry of Catholic school education: the spiritual, intellectual, physical, emotional, and social development of the students. The Board, operating under the guidance of the School Board of the Diocese of Springfield, and in conformity with the policies of the Diocesan School Office, concerns itself with policy matters pertaining to the general excellence of Catholic education at St. Stanislaus School.”

The School Board is made up of nine or more members (no more than 1/3 parents) appointed for three-year terms.

Together, let us begin this year with a commitment to partnership as we support one another in helping your child to become the best person he/she is capable of becoming.

PORNOGRAPHY

Any student found possessing or distributing indecent, pornographic, lewd or suggestive materials or literature is subject to in-house detention.

PRE-SCHOOL

In carrying on our mission of providing quality Catholic education within a nurturing environment, St. Stanislaus School offers a preschool program for four year olds. Our goal is to provide our preschoolers with positive opportunities for growth.

PROGRESS REPORTS/WARNING NOTICES

Progress reports are issued mid-way through each marking period. The purpose of the report is to make both parents and students aware of a student's progress and, if need be, alert them that a student may not be working up to his/her potential. Progress reports may be given in each of the subject areas and specials and may be issued at any point during the marking term.

Warning notices are issued to alert both students and parents that a student is not working up to his/her potential and unless a serious effort is made, a failing grade is possible. Warning notices are given in content subject areas as well as in specials.

PROMOTIONS AND RETENTIONS

Promotions and retentions are based on an evaluation of academic, physical, social, and emotional growth. Students in grades 1-7 who fail one or two major subjects are required to successfully make up the course work in summer school. A St. Stanislaus student is required to repeat the grade if he/she has failed three or more subjects. Students in sixth, seventh or eighth grade who fail two or more subjects will not be promoted and cannot repeat the grade at St. Stanislaus School.

Eighth grade students failing one major subject will be issued a certificate of attendance at graduation and will receive their diploma upon documentation of the successful completion of a summer school program at another institution. Summer school is not available at St. Stanislaus School for eighth graders. Students failing a major subject will not be considered graduates of St. Stanislaus School and will **not be able** to participate in graduation exercises.

Excessive absence (16) days or the equivalent of 16 days including tardies, can be cause for a student to be retained in the current grade for another year.

PUBLICATIONS

All school publications must follow these guidelines:

- Anything published must not be libelous or an attack on any person, group, or institution.
- A responsible publication is an accurate account, not slanderous or offensive.
- All publications should be in good taste and demonstrate Christian values.

RECESS POLICY

Primary students have a morning snack time in the cafeteria each day. During this time, the primary students are allowed to have a healthy snack brought from home. Milk may be purchased with a ticket. Please, no glass containers or candy.

All students must remain on the schoolyard during outside recess. Parents are asked to dress their children appropriately. Only students with medical excuses or teacher/administration request will be allowed to remain in the building during scheduled outside recess.

REPORT CARDS/PROGRESS REPORTS

Report Cards are important tools for communication. Report Cards will be given be carefully reviewed and the school four (4) times during the academic school year or every ten (10) weeks.

Progress Reports will be given mid-way between each ten-week grading period. Parents should contact if there are any questions regarding the grades. At the end of the second, third, and fourth quarters, report cards are sent home with the students. Parents are asked to sign and return the report card slip as promptly as possible. Report cards will not be released until financial obligations have been fulfilled.

RIGHTS OF SEPARATED OR DIVORCED PARENTS REGARDING ACCESS TO THEIR CHILD IN SCHOOL

In the case of a pending or actual divorce or separation, the following policy and procedures will apply:

A natural parent who is separated or divorced from the parent with custody of their child will have the same rights as custodial parents in the following areas:

- a. access to their child's records
- b. conferences with the teacher to discuss their child's educational progress

unless rights have been limited by court actions.

Custodial parents who request limitation of the above rights must provide the school with a copy of the relevant court document.

Non-custodial parents **do not have the right to:**

- a. meet privately with their child in school
- b. take the child away from school

The only exception to the above will be in the case of specific instructions in writing from the custodial parent or a relevant court document.

Prior to the awarding of legal custody by the courts, schools will assume that both parents retain equal rights in all of the above areas, unless a legal temporary restraining order is presented to the school.

SACRAMENTS

Students in Grade 2 celebrate **First Reconciliation** (Confession) and make their **First Communion**.

In order for a child to receive these sacraments, he/she must be baptized and be ready emotionally and spiritually. If the teachers (in consultation with the Administration and Pastor) deem that a child is not ready, the child will receive another year of preparation before receiving the sacraments.

In addition to academic preparation for the sacraments, it is expected that parents will reinforce at home what is taught in school. It is the responsibility of the parents to set a good example by taking the initiative regarding family prayer time,

Sunday worship, and Confession. Parents are required to participate in two **Parents' Enrichment Sessions** for each of the above sacraments.

If a student transfers into our school, s/he must have attended another Catholic school or participated in a Religious Education Program for at least a year before receiving the sacraments. If this is not so, the reception of the sacraments will be delayed for one year so that the student can be properly prepared.

SAFETY PROCEDURES

The school has a safety plan in effect and is prepared in case of an emergency situation. Immediate lockdown or evacuation of the building and notification of authorities are the standard procedure depending on the situation.

Parents – please have a safety plan in place if your child rides a bus or is a walker. If child arrives home without a responsible party present what should they do?

In keeping with the policies of the Chicopee Fire Department, fire officials will conduct two fire drills in the fall and spring of the school year. Additional fire drills and safety lockdown drills will be conducted at appropriate intervals throughout the school year by the administration. All students must leave the building quickly and quietly through the designated exits. Students should walk, not run.

St. Stanislaus School attempts to provide a safe environment for all individuals. Verbal or written threats made against the physical or emotional well-being of any individual are taken very seriously. Students making such threats (**seriously or in jest or online**) face detention, suspension, and/or expulsion.

Engagement in online blogs such as, but not limited to, MySpace.com®, Xanga®, Friendster®, Facebook®, etc. may result in disciplinary actions if the content of the student's blog includes defamatory comments regarding the school, the faculty, other students or the parish.

Virtual Reality Sites such as, but not limited to, www.there.com® and www.secondlife.com® pose a developmental and moral risk to the life of a student. Parents are cautioned to be aware of the online sites visited by their children, knowing that often predators are not living in a neighborhood, but within the home via a computer.

SCHOOL SUPPLIES

School supplies are required for all grade levels. Some items must be purchased in the school bookstore since they are specific for those grade levels. Each student will receive a list of required materials prior to the beginning of the school year. Students in grades K-3 are given the "*supplies to be purchased at school*" (from the supply list) on the first day of classes, so payment for these supplies should be submitted in a timely manner. Additional or replacement supplies can be purchased from the bookstore. Please be sure students have sufficient quantity of the various supplies needed throughout the school year.

SCHOOLYARD SUPERVISION

School staff will supervise the schoolyard during recess. At least two adults are on the playground during regularly scheduled breaks. The playground is not supervised after school hours.

SEARCH AND SEIZURE

The administration reserves the right to search anything that is brought on school property. This includes, but is not limited to, students' desks, backpacks, cell phones, electronic devices, cameras, flash drives, storage areas, or clothing when reasonable concern exists that there may be items which could potentially threaten the safety or well being of other students or which are deemed inappropriate and against school policy. Any such items will be confiscated.

SEXTING

Students involved in possession or transmission of inappropriate photos on their cell phones or other electronic devices face in-house detention and/or expulsion.

SEXUAL HARASSMENT POLICY

In keeping with Diocesan policy and goals, it is the policy of St. Stanislaus School to promote and maintain an educational environment and a working environment free from all forms of sexual harassment. Sexual harassment will not be tolerated. Any individual who engages in this harassment will be in violation of this policy.

Complaints of harassment will be investigated promptly and in a confidential manner. Anyone who violates this policy will be subject to disciplinary action up to and including expulsion from school. Incidents of sexual harassment must be reported to the administration.

SMOKING

Being a smoke free facility according to diocesan regulation and state law, smoking is strictly forbidden in, on, or around school property. Students as well as adults are not permitted to use tobacco of any kind in the immediate school area.

SPECIAL SERVICES

The principal makes Educational Evaluation referrals when deemed necessary. A parent also has the right to request an Educational Evaluation.

The Federal Government's Title 1 remedial reading and math programs are available. St. Stanislaus School has a reading specialist who works with small groups of students at an individualized pace.

SPIRITUAL LIFE

All students in grades K through eight have the opportunity to attend Mass regularly. The entire student body attends Mass once a month and on Holy Days. At other times, the students attend Mass as a unit, i.e., Primary, Intermediate and Junior High. The students plan these Liturgies with their teachers and are also given the opportunity to participate as readers, servers, gift-bearers and choir members. The presence of the students and faculty at Mass is an integral part of the spiritual life of the school. It should be stated, however, that school Masses do not fulfill one's Sunday obligation. Students participate in monthly Eucharistic Adoration in the Basilica.

Students are given the opportunity to celebrate the Sacrament of Reconciliation (Confession) four times during the school year. Eighth grade students attend a retreat in the spring prior to their graduation.

Opportunities for prayer are provided for the faculty and staff as they gather in the chapel during Advent, Lent and at other times during the school year.

STEALING

Any student who participates in the theft of money, goods, lunch tickets, clothing etc., or is found to be in possession of such, is subject to disciplinary action and will be held responsible for restitution.

STUDENT COUNCIL

The Student Council is made up of representatives from 4th – 8th grades. Officers are elected from the eighth grade class. Elections for officers and representatives are held in the fall. The Council initiates and plans activities for the entire student body.

STUDY SKILLS

A parent can help his/her child be aware of skills and techniques that make learning easier and more enjoyable. The following are student guidelines for achieving good study habits:

- Come to class prepared with pencils, pens, paper, homework and other necessary materials.

- Be an active participant in class. Listen well and take part in class discussions.
- Ask questions to clarify problems.
- Plan your day and schedule time for homework.
- Use what is learned and apply it to new situations.
- Strive to do the very best work possible.

SUBSTITUTE/PART-TIME TEACHERS

Substitute and part-time teachers act with full authority in the classroom. Students are expected to be courteous and respectful. Any misconduct in the classroom will be acted on immediately.

SUSPENSION

Suspensions from school are given by the Administration for the most serious infractions of school rules and policy. Suspensions are given only as a last resort. It signifies that the student's behavior has been so disruptive that the only reasonable way to deal with the situation is to remove the child from the classroom environment. The Administration determines whether this will be in-house or outside of school.

Students will receive no credit for tests or quizzes missed due to removal from the classroom.

Parents are required to meet with the Administration before reinstatement can take place.

Reinstatement will not be granted until the Administration and the student's teacher are satisfied that the reason for misconduct has been effectively eliminated.

TARDINESS

Children are expected to be in their classrooms by the designated starting time ready to begin school. This is an important part of the day when directions are given and a tone is set for the day. Parents have a responsibility to see that their child is in school on time.

Any child entering after the designated school starting time must report to the office for a pass to enter class.

Excessive absence (16) days or the equivalent of 16 days including tardies, can be cause for a student to be retained in the current grade for another year.

Students in Kindergarten and grade eight would not participate in graduation exercises.

Participation in Commencement exercises is a privilege for eighth grade students who have met the academic, attendance, and disciplinary standards of the school.

TELEPHONE

The office telephone is a business phone and is to be used by students only in an emergency. Forgotten homework, gym clothes, lunches, etc. do not constitute emergencies. Arrangements for after school visits with friends should be made at home.

TESTS

Students will not be permitted to retake a quiz or a test in order to improve their academic standing.

Middle School students (Grades 5 – 8) may be given a **maximum of three quizzes or tests per day.**

Middle school students will be involved in Final Exams to assess the cumulative knowledge of subject matter taught during the academic year. Final Exams will help students be more fully prepared for the assessment challenges and expectations of high school.

TESTING PROGRAM

According to diocesan specifications, students in grades 3, 4, 5, 6, & 7 are administered the Iowa Tests of Basic Skills and grades 3, 5, & 7 are administered the Cognitive Ability Tests in the spring.

TEXTBOOKS

Textbooks and workbooks are furnished for all students. If a book is lost, misused, or damaged beyond reasonable wear, the student will be held financially responsible. Students are responsible for keeping textbooks covered at all times.

TRAFFIC REGULATIONS

Arrival and Dismissal procedures for students in grades K-8

Note* - Preschool parents are required to come into the building to sign in/out their children

- **Parent Drop off or Pickup :**

Parents/Guardian should leave children at the back door and say your goodbyes between the two doors in the morning. Children when inside should immediately go to their designated areas. We are asking that there be **NO LOITERING** by adults in the lobby in the morning. **DISMISSAL – NO PARENTS IN LOBBY.** Parents waiting for children to dismiss should be outside the school building waiting for the teacher to lead students outside.

- **Cars** – Parents should **NOT BE PARKED** in the **SCHOOL LOT** to drop off or pick up students. This is causing a safety concern with children walking and running between vehicles in the car line. Parents should park in the church lot and walk to the back of the school to get your child or stay in the car pick up line and wait for the Children to be boarded by teachers. **PARENTS STAY IN VEHICLE** when dropping off

or picking up children teachers and staff will board or assist students from cars and secure/release them from car seats as needed.

- **Bus students and Walkers**

Students who take the bus or are walkers are escorted by teachers out the Cyman Dr. door. Walkers are brought to the corner of Front Street and Cyman Drive where a crossing guard is stationed. Bus students are brought to their assigned bus.

When dropping off or picking up students, if you need to enter the building for any reason, please park in the Church parking lot.

Additional Safety Information

In keeping with our Safety Plan, Fire Drills, Enhanced Lock down and Shelter-in-place protocols are explained to the students and practiced during the school year. If you have any questions about the protocols, please call the administration.

TRANSFER OF STUDENTS

Notice of withdrawal of a student should be made by the parent in writing to the Principal in advance of the withdrawal date. This enables the school to prepare

necessary information and settle accounts. **No student records will be forwarded to another school until Business Office accounts have been settled.** (See previous section on Student Records for transcript information.)

TUITION AND FEE POLICY

Information regarding tuition is explained at the time of registration. Annual re-registration packets are sent home in the spring. A family re-registration fee is assessed. It is agreed and understood that as St. Stanislaus School has an obligation and commitment to provide its students with the best possible education, it is the obligation and commitment of all parents to make a sincere effort to be prompt and faithful in payment of their full tuition bill.

Only persons who are registered parishioners of St. Stanislaus Basilica, have paid their parish membership dues and have used their parish offering envelopes for at least two years, are entitled to pay the parishioner tuition rate. Those who have not used church envelopes for two years, with a substantial donation, must pay the non-parishioner rate for that year.

Military families are eligible for a 10% tuition discount.

Parents will receive a book with 10 monthly tuition bills, beginning in July and ending in April. These payments are to be made directly to the school office. There will be a late charge of \$10.00 per month if the tuition is not paid by the 15th of each month. A charge of \$25.00 will be required for any check returned by the bank for insufficient funds. If the entire tuition bill is paid before school begins, there will be a 2% reduction in tuition.

No student may start school unless all monies (tuition and fees) owed for the previous year have been paid as well as the July and August payments of the current year.

No transcripts, report cards or diplomas will be released until all financial obligations to St. Stanislaus School have been fulfilled.

The cost of educating a child at St. Stanislaus School is not completely covered by tuition. The deficit is made up through parish subsidy and fundraising activities. It is vital that every family be involved and support these programs to the best of their ability. Various fundraising efforts are held throughout the year although the candy sale is the only one that families are required to participate in.

UNAUTHORIZED ARTICLES

Items such as, but not limited to, questionable books, pictures, knives, guns, matches, cigarettes, alcohol, radios, toys, trading cards, pagers, cell phones, laser lights, palm pilots, CDs, iPods, or other mp3 players, cameras, video and/or audio recorders and all other electronic devices, or anything that will detract from a learning situation, are not allowed at school at any time. Key chains and toys cannot be attached to student backpacks. Teachers reserve the right to confiscate such items, which will be turned in to the Administration.

The school Administration, in accordance with state laws, will determine the appropriate disciplinary measures to be taken concerning the presence of these items in school. **The first violation will result in confiscation of the device to be returned to the student's parent/guardian. The second violation will result in items taken away from students to be returned to the parent(s) or guardian(s) on the last day of the school year.**

Cell Phones, cameras, video recorders, mp3 players, iPods, and other electronic devices are not allowed on field trips unless otherwise directed by the teacher and or administration

Photos or video of students, teachers, and/ or school events posted to blogs, YouTube® or other Internet sites, will result in disciplinary action if the content is posted without the explicit permission of the administration and parents.

VALUABLES

The school administrators and staff cannot be responsible for valuables that students bring to school. It is recommended that students leave all valuables at home. If special circumstances make it necessary for a student to bring substantial cash or other valuable possessions to school, these items should be registered and left at the main office.

VANDALISM

Our school and school equipment are private property. Willfully damaging or destroying this property is cause for immediate in-house detention and possible further action. The school requires that the damages be paid for before a student is allowed to return to class. If a student accidentally causes damage, s/he should

report it to his/her teacher immediately so that the damage is not viewed as vandalism.

VISITORS

School visitors (volunteers, parents, etc.) must come to the main office. For safety and security reasons, each person is required to sign in at the office when he/she enters the building for any reason. All visitors and/or volunteers are required to wear a designated badge that may be picked up in the office. Visitors and/or volunteers are to sign out at the time of departure.

Parents who volunteer to serve lunch or who volunteer in another capacity in the school may not drop in to a classroom to see their student during the day. This is an interruption to the teacher and to the educational process.

No one is allowed anywhere in the building without authorization and a visitor's badge from the main office.

Any visitor without a badge will be asked to go to the office.

VOLUNTEERS

St. Stanislaus School considers its volunteers a very special resource. Parents, grandparents and friends are encouraged to help in classrooms, cafeteria and library. Please call the office if you have time, skills or special talents you can donate to make our school a better place for students to learn and grow. **All individuals who volunteer in the school must complete the Volunteer Code of Conduct and will be asked to complete the Diocesan mandated background check.**

All volunteers are expected to dress appropriately. Clothing should be modest and neat.

The main responsibility of a volunteer is to assist the administration or teachers. For this reason, **pre-school siblings are not allowed to accompany parent volunteers to school for meetings, to serve lunches, to assist with class activities, or chaperone any event.**

WALKERS

Please have a plan in place if your child arrives home without a responsible party present.

WITHDRAWAL POLICY

- Families must notify the school in writing if a student is withdrawn from the school.
- Registered students who withdraw between the first day of school and December 15th are responsible for ½ of the full tuition amount.
- Registered students who withdraw after December 15th are responsible for the full tuition amount.
- The school will not forward records for students who withdraw with an outstanding balance.

****RIGHT TO AMEND**

St. Stanislaus School reserves the right to amend this Handbook. Notice of amendments will be sent to parents via the weekly memo or through email communication.
