### Notes about Size Exchange & Order Adjustments:

Please don't worry about ordering early. We know your student will most likely change size before next school year. Therefore we allow for growth during the fitting process. If necessary, your layaway order can be cancelled or adjusted at any time before, during, or after the delivery process.

Simply put, ordering by June 15<sup>th</sup> gets you a 10% discount even if sizes need to be adjusted for a better fit closer to the start of school. If you wait to order, you will still get the correct sizes, but pay more for the items.

### Returns Policy:

After delivery, an item which has not been worn, washed or altered and is in re-sellable condition can be returned for refund or exchange as follows: For cash or exchange within 30 days of receipt of item. Thereafter, for merchandise credit equal to the price paid for the item.

Further company policies exist, please visit: [www.DonnellysClothing.com/policies](http://www.DonnellysClothing.com/policies) for detailed information.
